

**CONTENTS****PART - I:****RESEARCH PAPERS****Crop Sciences**

- Evaluation for *Sclerotium rolfsii* Sacc. resistance in F<sub>4</sub> and F<sub>5</sub> genotypes of groundnut  
(*Arachis hypogaea* L.) ..... 127  
- ARPITA K. REVANKAR AND P. V. KENCHANAGOUDAR
- Effect of treated and untreated domestic wastewater and fertilizer levels on growth, yield  
and yield attributes of tomato ..... 131  
- RAHUL K. SUTAR AND S. S. ANGADI
- Physiological studies in cotton hybrids differing in morpho- physiological traits ..... 137  
- SOMASHEKHARGOUDA PATIL AND B. C. PATIL
- Screening *hirsutum* cotton genotypes for water stress ..... 142  
- B. R. MEGHA AND U. V. MUMMIGATTI
- Characterization and classification of soil resources of Dambal-II micro-watershed in  
Gadag district of Karnataka ..... 148  
- SURESH BIRANI AND S. S. GUNDLUR
- Studies on developing mixed consortia of N<sub>2</sub>-fixing and Phosphate solubilizing liquid biofertilizers  
and population dynamics of biofertilizer strains in the consortia ..... 156  
- H. S. NISARGA AND C. R. PATIL
- Awareness of pesticide label claims among soybean growers of Vidarbha ..... 162  
- N. M. KALE, D. M. MANKAR, P. P. BHOPLI AND P. P. WANKHADE
- Preferred communication sources and information needs of the rice farmers of Prakasam  
district of Andhra Pradesh ..... 168  
- O. Sarada

**Horticulture**

- Use of plant growth regulators to enhance productivity of hybrid capsicum grown under polyhouse ..... 172  
- MALLIKARJUN DHOTRE AND S. M. MANTUR

**Community Science**

- Re-exploring the bird heritage carvings of Pattadakallu for computer aided embroidery ..... 178  
- PRIYANKA B. BAGI AND JYOTI V. VASTRAD
- Effect of treatment and method of application on mechanical properties of Vetiver  
finished organic cotton fabrics ..... 183  
- SAKEENA NAIKWADI AND K. J. SANNAPAPAMMA
- Correlation of adjustment with achievement motivation ..... 188  
- ASHWINI M. MALLAPUR AND GANGA V. YENAGI

|                                                                                                                 |     |
|-----------------------------------------------------------------------------------------------------------------|-----|
| Physico-chemical characteristics and nutrient composition of wood apple ( <i>Feronia limonia</i> Swingle) ..... | 192 |
| fruit with and without seeds .....                                                                              |     |
| - V. SHYAMALA DEVI AND UMA N. KULKARNI                                                                          |     |

## **PART - II: RESEARCH NOTES**

### **Crop Sciences**

|                                                                                                                                                  |     |
|--------------------------------------------------------------------------------------------------------------------------------------------------|-----|
| Correlation and path coefficient analysis in chilli ( <i>Capsicum annuum</i> L.) genotypes for yield and yield attributing traits .....          | 196 |
| - B. S. UMESH BABU, B. V. TEMBHUREE, P. H. KUCHANUR, A. G. SREENIVAS AND B. KISAN                                                                |     |
| Performance of pigeonpea and millets in intercropping systems under rainfed conditions .....                                                     | 199 |
| - MANJUNATH M. VAJJARAMATTI AND S. B. KALAGHATAGI                                                                                                |     |
| Stability analysis of single cross hybrids for grain yield in maize ( <i>Zea mays</i> L.) .....                                                  | 202 |
| - SIDDHARTH PANDA AND MRUTHUNJAYA C. WALI                                                                                                        |     |
| Response of sesame ( <i>Sesamum indicum</i> L.) to sulphur nutrition during summer .....                                                         | 207 |
| - CHINNAVVA PALABHAVI AND S. B. KALAGHATAGI                                                                                                      |     |
| Response of Pigeonpea [ <i>Cajanus cajan</i> (L) Mill sp.] to band application of organic manures. ....                                          | 210 |
| - P. S. MANIKASHETTI AND S. B. KALAGHATAGI                                                                                                       |     |
| Effect of season and plant growth regulators on seed yield and quality in Dolichos bean [ <i>Lablab purpureus</i> L..(Sweet)] .....              | 213 |
| - PRAMODA AND ASHOK S. SAJJAN                                                                                                                    |     |
| Growth of <i>Eudrilus eugeniae</i> in <i>Pongamia pinnata</i> leaves mixed with three different animal wastes .....                              | 217 |
| - C. SURENDAR AND L. VEERAKUMARI                                                                                                                 |     |
| Studies on antibacterial property of supercritical carbon dioxide extract of <i>Prosopis juliflora</i> leaves against food borne pathogens ..... | 220 |
| - KRISHNAVENI MAGADI, NAGARAJ NAIK, MAHADEVSWAMY, K.TAMIL VENDAN AND UDAYKUMAR NIDONI                                                            |     |
| Growth in area, production and productivity of Cashew in India .....                                                                             | 222 |
| - ISRARULLAH AND J. S. SONNAD                                                                                                                    |     |
| Effect of pulse production training programmes on knowledge levels of farmers of Prakasam district of Andhra Pradesh .....                       | 226 |
| - O. SARADA                                                                                                                                      |     |
| Assessment of fuel-wood requirement, sources and usage of fuel wood in different watershed of Sirsi taluk in Uttara Kannada district .....       | 230 |
| - PALLAVI P. BANAVASI AND A. G. KOPPAD                                                                                                           |     |
| Effect of watershed management practices on tree density and diversity in Kalve watershed .....                                                  | 233 |
| - ATHIRA JAMES AND A. G. KOPPAD                                                                                                                  |     |
